On November 10, 2010, the South Carolina Public Service Commission ("Commission") issued Directive Order No. 2010-770 approving the joint Application of Birch Communications, Inc., Birch Telecom of the South, and American Fiber Network, Inc. ("AFN") for the transfer of assets and customer base from AFN to Birch Communications, Inc. In the Order, the Commission provides that "[a]fter the transaction is completed, Birch Telecom of the South will provide service to AFN customers in South Carolina" and then further provides that "AFN shall notify the Commission when it no longer provides telecommunications services in South Carolina, and its tariffs will be withdrawn and its certificate will be cancelled."

However, pursuant to the request of the Office of Regulatory Staff, this Order is now amended to state that AFN's Certificate will not be cancelled until after it satisfies its obligation to the South Carolina Universal Service Fund and the Gross Receipts Fund.

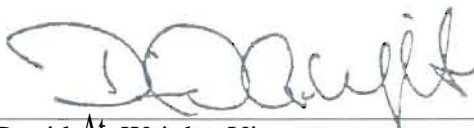

This Order shall remain in full force and effect until further order of the Commission.
